## Information on compliance with the REACH regulation

To whom it may concern,

According to the REACH regulation, the Kabeltec GmbH is classified as a supplier of articles. In this position, we have no obligation to register. As a matter of course, we will comply with all obligations under REACH, including information tasks within the supply chain, and will provide you with the material necessary for secure handling of all products concerned.

As a matter of course, we will assure a smooth handling of deliveries, even amongst the requirements of the REACH regulation. We will monitor the developments of REACH and comply with the upcoming requirements.

### Information requirements according to article 33 REACH:

As a manufacturer of articles we are required to submit certain information, if a so called candidate substance (substance of very high concern (svhc)) is present in one of our articles in a concentration higher than the legal threshold of 0.1 mass%.

We are not expecting an exceeding of the threshold of 0.1 mass% in our articles and are in a constant dialogue with our suppliers, especially after an expansion of the candidate list.

### Restriction of substances, REACH Annex XVII:

Our products comply with the substance restrictions of annex XVII REACH regulation. In case of product-relevant alteration, you will be informed in time about changes and the process of substitution.

With best regards
